Please check in with the security on arrival (their office is in Tower 2) and they will direct you to our office in Monaco Tower 3.

For longer stays, please use our car park located further down Dr Roys Drive, opposite Kensington House. There is a white security booth and barrier -- the security guard will grant you access when visiting our office. It is then a short walk (2 mins) to Monaco Tower 3. Umbrellas are available from security should it be raining.
