(Entrance on Dr Roy's Drive)

PARKING

Behind Fresh Up Cafe (formerly Bread & Chocolate), there is an entrance from Dr Roys Drive to our short stay car park located at Monaco Towers 1 & 2. This car park is suitable for a stay of up to 60 mins (max). Please check in with the security on arrival (their office is in Tower 2) and they will direct you to our office in Monaco Tower 3.

If this lot is full, please use our car park located further down Dr Roys Drive, opposite Kensington House. There is a white security booth and barrier -- the security guard will grant you access when visiting our office. It is then a short walk (2 mins) to Monaco Tower 3. Umbrellas are available from security should it be raining.

Accessible parking is also available. Please contact us for directions.
